

ON & ON

Hey you, are you feeling well?
Dry your tears, I'd like to see you smile again.
Maybe there will come one day
when you feel like all your hope is gone and all went wrong

Oh but it goes on and on and on and on and on.
And you quickly look back
and make the right step
into the wrong direction.

Hey you, see the clouds up there?
And the rain won't stop until you change your ways.
Take my hand and sing this song with me.
Sing it loud to blow away the clouds – cause that's the way I do.

Oh and it goes on and on and on and on and on.
And you quickly look back
and make the right step
into the wrong direction...
