

## YES I SAY NO

It's not that I'd complain about  
having so many choices.  
It's not that I would be unhappy.

It's all about how to choose or not  
to pick the right one out of which one.  
It's all about what I want.

Yes it is so hard to say  
and I guess I might be wrong  
So I just sing along... ooooh.

**Yes I say No**  
**Maybe sometimes there's a way or two to go**  
**Yes I say No**  
**Maybe, why not, it's so simple, I don't know**  
**Oooohh...**  
**Oooohh...**

I should leave but stay a while  
just to see what's going to be...  
what's the best for me.

I'm always going straight ahead  
but I'd like to turn around  
and round and round and round.

**Yes I say No**  
**Maybe sometimes there's a way or two to go**  
**Yes I say No**  
**Maybe, why not, it's so simple, I don't know**  
**Oooohh...**  
**Oooohh...**
